Dear Mr. Bennis,

Re: The Gunfield hotel, Warfleet, Dartmouth.

On behalf of the Dartmouth and Kingswear Society, which has some 400 members and as you know is concerned to maintain and enhance the appearance and environment of Dartmouth and nearby villages, I am writing to enquire about the future of the Gunfield site.

Many of our members are concerned about the apparent decay and neglect visible at this prominent site, apparently unoccupied for some eight years now, and we should greatly appreciate some indication from the owner, and from your Company as architects concerned, that plans are in hand to repair and update this Listed Building. We believe that a new Planning Application will be required.

If you have any details of the proposed work or of the time schedule for it, we should be grateful to see them and thus be in a position to allay our members' concerns.

We look forward to hearing from you.

Yours faithfully,

Eric Preston
Vice-President, Dartmouth and Kingswear Society.
